## EXAMPLES

1. The roulette raffle takes place every half an hour. Sell raffle tickets 0-37 the numbers on the roulette wheel at £1.00 per ticket. The total amount taken will be £37.00. Offer as a prize a bottle of wine to the lucky ticket holder the number the ball drops into. The total amount taken on the roulette raffle will be £222.00 less the cost of the bottles of wine.

2. The roulette raffle takes place every hour. Sell the tickets at £5.00 per ticket 37 tickets sold @£5.00 = £185.00. On this occasion offer the lucky ticket holder 50% of the money took £92.50. The total amount raised for your organisation in this example will be £277.50.

3. You may choose to sell the tickets for the roulette raffle on six spins every half an hour, the total amount raised in this example will be £555.00 which should cover the hire of the casino tables alone.
